

## Why God? Suffering & Evil: Part 1

May 2, 2010

**Myth #1:** Satan (evil) & God (good) are two CO-EQUALS locked in a cosmic battle for the fate of the universe.

**Truth:** Evil and Satan are part of God's GOOD creation that have gone ASTRAY.

**Myth #2:** Death & Suffering are simply NORMATIVE parts of the Nature's life cycle.

- **Root of Satan's lies:** God is WITHOLDING something good from us that we deserve. BREAKING God's commands will bring blessing into our lives.

**Truth:** Death and suffering are ENEMIES of God and an ABNORMAL part of Nature's life cycle.

**Myth #3:** The Gospel is NOT a formula for how you can die and go to heaven through a personal relationship with Jesus.

**Truth:** We need a "BIG GOSPEL" to cope with Suffering & Evil.
