

## Why God? Suffering & Evil: Part 2

May 9, 2010

### Summary of Today's Lesson:

Following the example of the Apostle Paul, we will learn how to move from asking "Why God?" to "How long, O Lord?"

### Reasons for Paul's Joy in the midst of Suffering:

1. God is glorious for **MAKING** & **KEEPING** His covenant with Israel.
2. God is glorious in **FULLFILLING** His covenant with Israel (and for the world) in Jesus Christ.
3. God is glorious in **PROMISING** what is yet to come.

### Lessons from Paul's life of Suffering:

1. Suffering reminds us that we are not made for this **WORLD** but for **GOD**.
2. Suffering reminds us that our Savior carried a cross on the road to redemption and **SO MUST WE**.
3. Suffering reminds us to focus our **HOPE** on the world to come & to **KNOW** that whatever Satan, the power of sin & death mean for evil, God will use for **GOOD**.
4. Suffering forms within us a **DEEP WELL** by which we can **MINISTER** to others.
