Habakkuk 1 – Where are you God?

Introduction

Have you ever wondered why bad things sometimes happen to good people? Ever wondered why *good* things happen to *bad* people? The prophet Habakkuk wrestled with these questions in a deep and profound way. His prophecy reads like a personal prayer journal in which we are invited to enter into and learn not only a model for prayer but also what God's ultimate plan for the future really is.

Notes:

READ Hab. 1:1-2:1

READ Psalm 22:22-31

Because of FAITH Habakkuk is not afraid to _____ to Go.

Because of FAITH Habakkuk _____ God to act within His character.

Habakkuk 1 – *Where are you God?*

Questions for Reflection:

- 1) Why is Habakkuk upset with God? What seems unfair to him about the coming future for his people?
- 2) How does Habakkuk “argue” with God based on what he knows of God’s character? What exactly does he pray for/about?
- 3) Where in your life is God calling to display similar faith in His character and promises?
