*"Imagine that Jesus is calling you today. He extends a second invitation to accept His Father's love. And maybe you answer, 'Oh, I know that. It's old hat.' And God answers, 'No, that's what you don't know. You don't know how much I love you. The moment you think you understand is the moment you do not understand. I am God, not man. You tell others about Me - your words are glib. My words are written in the blood of My only Son. The next time you preach about My love with such obnoxious familiarity, I may come and blow your whole prayer meeting apart.'" – Brennan Manning, author/speaker*

**Questions for Reflection:**

- 1) What was the result of Adam & Eve's disobedience? What was lost?
- 2) What did Jeremiah and Ezekiel prophecy that God do through His Spirit in the latter days? What significance does this have for what Adam & Eve lost?
- 3) Why are the two words in Eph. 3:4 "But God" so important? What does this tell us about God? What does this tell us about ourselves?
- 4) Do you believe that God willingly and lovingly gone to great lengths and cost to Himself to be with you? How should believing this good news shape the way we live? How should this shape our attitude towards the church?
