

CC Cov Mission Trip Information

WHERE & WHEN?

We are planning to go to the Rio Grande Valley in southern Texas and possibly cross the border into Reynosa, Mexico. The trip is planned for the end of May/first of June 2023.

WHO?

Anyone who attends CC Cov is invited. However, those under 17 years old must be accompanied by a parent or guardian.

WHAT & WHY?

The purpose of this trip is to learn about the refugee crisis. The exact details of the trip will be determined later, but some activities might include work projects at La Posada Providencia, working with a local Covenant Church and their ministries, or volunteering at the McAllen Respite Center. As a missions team we would like to reach out to our immigrant neighbors in Clay County and the surrounding counties. We would like to better understand the plight of immigrants and refugees coming to the United States.

NEXT STEPS & OTHER INFO

Please prayerfully consider whether God may be calling you to go on this trip. If you feel the Holy Spirit's leading, the next step is to fill out the Mission Trip Application and turn it in to the church office. Applications are due by Sunday, December 4th. All team members will be required to participate in training prior to the trip. Most training will occur during A & E time after Christmas.
